

Notice

JAE Oregon will be receiving an additional plastic injection mold tool (B) for p/n MX34012NF1. There are no changes to the product or process; Parts will be the same as the current production mold tool (A).

The PPAP will be submitted by late July 2017. **If you have any PPAP requirements, please let your local JAE sales representative know as soon as possible.**

Thank you for your cooperation.
